ABOGADO PRAGMA

Barcelona lawyer for inheritance, property and tax in Spain

Working with notaries, lawyers, advisers and estate agents from other countries

You can refer a matter to me when…

- your client inherits, or must divide, an estate that includes assets in Spain;
- there are several heirs or several countries involved, or the heirs disagree;
- Spanish inheritance or gift tax has to be settled;
- a foreign client buys, sells or gifts property in Spain;
- powers of attorney or foreign documents (apostilled) are needed for use in Spain;
- a non-resident must file a tax return for property in Spain (Modelo 210).

How I work

- You keep the relationship with your client. I handle the Spanish side.
- One person, one lawyer, one direct answer.
- I work in Spanish, Catalan, French, Italian and English (in writing).
- Working relationships with notaries across Spain.
- Reciprocal cooperation, no referral fees.

To get started I need

> Who has died or what transaction is planned · where the assets are · which documents exist · your client's language.
